If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the brand new guide, however do not embody a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with

different prices on every page. Make certain your gross sales copy is precisely the same on each web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.

In the end, in the event you've written a e-book that solves a drawback or presents a brand new approach, your guide will usher in both visitors and profits.
